A Variety of Spaces for your Special Event

Metro Waterproofing **MAIN STAGE**

For a 250-seat venue at only eight rows deep on the orchestra level, you won't find a bigger and deeper proscenium playing area. This venue brings the excitement of live performance right into the audience's lap with acoustics that shine for unamplified spoken word to rousing rock concerts.

Clyde & Sandra Strickland

GRAND STAGE

Designed to accommodate productions bound for Broadway, this gorgeously appointed venue connects art and science with immaculate acoustics, a fly system and a motorized orchestra pit. Even at 500 seats, there is a sense of intimacy that accompanies its grandeur.

Bartow & Leslie Morgan

CABARET

Like its name, this black box cabaret can take its basic black and transform into an ideal setting for a play, business meeting, concert, or banquet. What sets it apart from any similar multi-purpose room is the connection to the outdoors with a glass wall that opens up to a courtyard or completely disappears behind floor-to-ceiling drapery.

Peach State Federal Credit Union **GRAND LOBBY**

The Peach State Federal Credit Union Grand Lobby is perfect for receptions, networking socials, and cocktail parties.

In the center, there are two tall, slender, light-colored pedestals. A grand piano is visible in the background, and a small table with chairs is set up to the right.

STUDIO

This three-quarter thrust theatre provides the perfect venue for the most intimate and creative of productions. This space has been used for theatre, dance, concerts, author events, education, lectures, and social events like small receptions and wine tastings.

REHEARSAL HALLS

Both spaces feature mirrored walls and sprung floors dancers require. These are great locations for classes, auditions, filming, and of course rehearsing just about anything.

COURTYARD

This flexible outdoor space unifies the LAC campus. Use in conjunction with the Morgan Cabaret or book separately. Add a stage for even more excitement.

Weddings

Celebrate your special day in a magical way. With so many combinations of indoor and outdoor spaces, LAC can be customized to make dreams come true.

Imagine having your nuptials on stage amidst dreamy theatrical lighting as rose petals fall from above. Then move to a banquet hall that opens up to the outdoors, where your live band plays while guests dance under the stars.

Events

Corporate events could include a lecture or presentation on stage or on screen, cocktail mixers, award ceremonies, and fundraising galas. The possibilities are infinite.
